Management Offer 19 Day Month

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
I support management's 19 day month offer					
I support a 19 day month with retaining current 36.25 average hours per week					
I would prefer to use TOIL to manage flexibility					
I would prefer a negotiated deal that doesn't reduce our hourly rate and conditions					

Management Offer 19 Day Month

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
I agree with management that the offer should be 'all in' and no-one gets a choice					
I think we should have choice of RDO					
I think we should have several choices about what works for us and our workgroup operations (TOIL, 19 day month or other flexible arrangements)					
I would prefer a negotiated deal that doesn't reduce our hourly rate and conditions					

Management Claim Sick Leave

Management representatives are proposing that when staff are on sick/carer's leave for more than two consecutive days they will require a medical certificate. Management are opposed to statutory declarations being used by employees when they are absent from work for a significant amount of time.

How many consecutive days off on sick/carer's leave should a staff member be required to produce a medical certificate for?

1 Day	2 Days	3 Days	4 Days	5 Days
